To Whom it May Concern:

Please be advised the Student Ministries Department of the Louisiana District Council of the Assemblies of God is holding our State Annual "Youth Conference" on November 22-23, 2024. There are students in school session on Friday, November 22nd, who would like to participate in the event.

We respectfully request that you please allow _____ who wishes to participate in this particular religious function, be granted an excused absence for this day (or part of this day, whichever applies to his/her particular case), and that he/she would be allowed to make up any test(s) or class work which might be missed as a result of his/her absence. It is our hope that each student will return to their school with a greater desire to live a more wholesome lifestyle and serve more wholeheartedly.

Should you have any questions or concerns regarding their absence, or need the Louisiana District of the Assemblies of God to confirm their attendance at our State Annual "Church Youth Conference" please contact my office at (318) 445-6238, or email me at charlie@laaog.org. Thank you for your cooperation! We appreciate all you do to help the students we both love!

Sincerely,
