

CAMP LEADERS

Are you thinking of serving as a leader at camp this summer?

Let us start by saying we are so excited to have you and cannot wait for you to experience all that God has for this year's camp!

Camp truly changes the lives of every person who attends!

There are a few things you should know when signing up to be a leader! We want to make sure you know what to expect...

- Every leader will be background checked through the campground. Please make sure all information on your application is correct.*
- There will be a series of videos released that must be watched by every leader prior to camp. Your camp coordinator will send in verification that the training videos have been completed.*
- Every group will be required to preform lice checks prior to camp. Again your camp coordinator will send in the verification that that has been completed.*
- In order to keep camp cost down & provide the best experience for our campers, when you sign up you will be asked to choose 3 areas where you are willing to serve. We will try to place you in a meal serving rotation and at least one of the other rotations that you chose. We can not guarantee you will be placed in a given area. However, we do our best! You can find the description of each of the jobs on the next page.*

This drastically cuts the cost of camp and we truly could not do it without YOU!

- Remember, camp is for kids! Everything we do, positive or negative, can have an impact on how campers respond in altar services. Love big, be kind and compassionate, participate in competition, but don't be so competitive that the kids walk away with a bad experience.*
- NO nicotine, alcohol, or outside drinks or food allowed on campus!*
- You are at camp not only to supervise your group, but most importantly to love and pour into ALL kids. Sometimes we have groups that come without leaders, and these campers need ministry too! Please be ready to jump in and minister to all of the kids that you encounter while at camp as needed.*
- Theme days are the best! Kids love them, but nothing makes them more fun than the leaders participation! Your camp coordinator will have your theme days, and they will be posted online as well at www.laaog.org.*

We pray that you, have fun, be creative and PARTICIPATE!

- Praying up, studying up, and fasting ahead of camp is strongly encouraged. Remember, no one can pour from an empty vessel and we shouldn't expect to. Some kids come with some pretty heavy things on their heart. Be ready, ask God to give you spiritual eyes and ears, and the anointing to minister.*

Leader Serve Opportunities

Meal Server

Pretty much every leader will have a meal serve rotation once a day at the same time. Your time will be given to you at orientation. Please report to the kitchen 15 minutes before serve time with closed toe shoes, put hair in net or hat, wash hands, put on gloves and find a place in line to serve.

We are so thankful for you!

Snack Shack

You will be responsible for working the window, taking orders, collecting money, or being a runner for the person working the window. You will be given a schedule at orientation, and you report each time that you are scheduled.

Remember many hands make for light work!

Team Coach

These people need to be full of energy, have an incredible spirit of competition, but also able to teach kids that we win some and lose some! You will keep the team rallied up and on track! You set the tone for your team. Be ready to compete in coaches challenges, be loud enough to lose your voice by the end of camp with your team chant, and willing to participate in all theme days!

Gaga Ball / Basketball Monitor

Monitor the children as they play Gaga Ball and Basketball, and make sure they are following the rules, being respectful of one another, and of equipment!

You may want to be familiar with the rules. They are posted at the Gaga Ball Pit and Basketball Court.

Carpet Ball

During free time, we ask all leaders to keep an eye on campers. Monitoring the children as they play carpet ball is important. Make sure they are following the rules, keeping the balls on the tables, and being respectful to one another. Jump in and play a game with the campers too. They will love that!

Kids get so competitive, be a peace keeper!

Nail/Face Painting

Let your creativity work for you! Kids come wanting all kinds of designs, and we need your talent. Face painting and Nail painting are a big hit, especially on Team Spirit day! We provide the materials, and you sit under the awning and paint away!

Bank (Kids Camp only)

You will see many kids here as they come to get bank cards for concessions. You will help the kids know where they are in their spending and help them not spend all their money in one day.

Head Dorm

This is a leader of leaders role. You will be responsible for upkeep of the dorm during the week. You will also help other leaders to guide their campers to take care of the dorm and their things. You will be leading devotion & prayer each night, as well as taking roll and reporting to the Camp Director.

Arts & Crafts

We will have some craft supplies such as painting, clay, and other items. We just need you to monitor them while they work on these things. Make it a fun space to interact with kids!

Important Dates To Know: Middle School Camp: June 29 - July 2

Kids Camp 1: July 3rd - 6th Kids Camp 2: July 8th - 12th Kids Camp 3: July 14th - 18th
